# Summer Vacation

School times are almost over.  
School times are almost done.  
We've had a lot of learning.  
We've had a lot of fun.  
Month of June brings long  
hot days  
And now we have our  
summer holidays.  
Little home work easy to be  
done and lot of fun.

**Happy Holidays!!!**

#### Dear Parents

Summer Break is also about spending some quality time

With your children. Have at least one meal as a family.

Mother could ask the kids to help around the house as in-

- dust their room
- put away their toys,
- set the table for dinner,
- Leave their plates in the kitchen sink etc.

Father could read to the kids, talk to them about their day, tell them stories from their childhood, and undertake some fun 'do-it-yourself' activity.

#### Dear Children

The much-awaited holidays are here yet again and it's time to play and have fun!! But learning never stops. We have planned for you some fun activities to make the optimum use of your creativity and give a vent to your pent-up energy.

- Try to do the homework independently.
- Be creative and be original.
- Do your work neatly.
- Use the golden words: Please, Thank you and Sorry. They can be the keys to open doors to good relationships and happiness.

#### Note:

- *All Holiday Home-Work to be done on the sheets provided, except English Cursive Writing Work.*
- *Colour the front sheet using pencil colors or crayons.*
