

HERITAGE SCHOOL JAMMU  
GUMMY BEARS' WORLD  
HOLIDAYS HOMEWORK  
Honey Bears' (NURSERY)

*Dear Parents,*

Date:21/12/17

*Winter vacations are here and we all are going to enjoy the holidays but to keep in touch with our tiny tot's learning, we are giving few activities to enjoy in these holidays, which will further develop their skills.*

- 1) Place skittles / plastic bottles and ask your child to roll a ball towards the skittles / bottles and knock them over.*
- 2) Give your child different kinds of puzzles with small pegs which they can hold with their thumb and index fingers (the pincer/ froggy finger grip) to remove and place back in the correct slots.*
- 3) Allow your child to be independent in dressing themselves, allow them to button their shirts, zip up their jackets, putting their shoes and combing their hair. Praise their efforts, it will make them confident.*
- 4) Guide them to hold the crayons with froggy fingers while colouring.*
- 5) Allow your child to play out in the open, give them a stick to draw in the sand (the sounds, numbers & anything they wish).*
- 6) Provide your child with some play dough, scope for free hand painting, free play and using things in the house to exercise their imaginative and creative ideas.*
- 7) Read to your child everyday and encourage them to spot pictures / words. Start the story and pause at times, allowing them the opportunity to express themselves. Encourage them to choose the story they want to hear. Plan a special time of the day for reading books right from the beginning to help your child develop the habit of reading.*
